## ABOUT ME

I find most programming interesting and like dabbling in different things to learn a bit of everything. Getting a new area to work and finding what is fun and cool with that area of programming is what really makes me wanna keep working.

## EDUCATION

### The Game Assembly

2023-08 to exam 2026-04

The Programming course goes through everything from the basics of object-oriented programming and common programming patterns, to courses where we learn graphical programming, scripting and networking.

During this time we also completed 8 game projects together with the other departments in the school.

### Solna Gymnasium

2015-08 to 2018-06

Child and Recreation, specialization Recreation and Health

## WORK EXPERIENCE

### Childcare assistant, Kindergarten (Åre kommun) 2019-08 to 2023-08

Managed groups of children between 1.5-6 years

### Package logistics at Postnord

2018-05 to 2019-05

## EXPERIENCE AND LEADERSHIP IN VOLUNTEER WORK

### Coach in Fencing

2012 to 2023

Have been working as Head and Assistant coaches in Åre, Luleå and Ängby for children and adults
